RESOLUTION NO. 2010:041

RESOLUTION DECLARING AN ECONOMIC REVITALIZATION AREA FOR PROGRESS RAIL MANUFACTURING CORPORATION, formerly PRL, Inc.

(New Manufacturing Equipment and New Information Technology Equipment)

WHEREAS, the Indiana General Assembly has enacted a statute, I.C. 6-6.1-12.1 (the "Act"), authorizing certain deductions from the assessed value of new manufacturing equipment (as defined in the Act) for purposes of taxation of such equipment if installed during the period beginning March 1, 1983 and ending December 31, 2011, in an area that is declared an economic revitalization area; and

WHEREAS, the Act provides that economic revitalization areas must be in a geographic area that has become undesirable or impossible for normal development and occupancy because of cessation of growth, deterioration of improvements, age, obsolescence, substandard buildings or other factors which have impaired values or prevent a normal development of property or use of property; and

WHEREAS, the Act provides that the county council of a county may find that a particular area within the county's jurisdiction is an economic revitalization area under the procedures prescribed in I.C. 6-1.1-12.1-2.5; and

WHEREAS, the Delaware County Council has established standards and procedures for designation of economic revitalization areas; and

WHEREAS, Progress Rail Manufacturing Corporation, formerly PRL, Inc. has requested the Delaware County Council designate the area of 3500 South Cowan Road, Muncie, Delaware County, Indiana, as an economic revitalization area, said area being further identified on an attached map and legal description included herein.

NOW, THEREFORE, BE IT RESOLVED by the County Council of Delaware County, Indiana:

- 1. The Delaware County Council finds and determines that the Area described in this Resolution meets the qualifications for an economic revitalization area for the purposes of I.C. 6-1.1-12.1-1 et. seq.
- 2. The Delaware County Auditor shall take such further actions as may be required by all applicable ordinances and laws, to carry out the purposes of this Resolution and to insure the eligibility of such new manufacturing equipment and new information technology equipment for purposes of allowing a deduction from the assessed value of said equipment for ten (10) years on the manufacturing equipment and five (5) years on the information technology equipment, all in accordance with applicable Indiana Code.
- 3. This Resolution shall be in full force and effect from and after its passage by the Delaware County Council and such publications as may be required by law.
- 4. It is understood that Progress Rail Manufacturing Corporation, formerly PRL, Inc. is responsible for following all annual state and local filing requirements regarding this abatement to assure receipt of the abatement per the applicable ten (10) and five (5) year schedules.

INSTRUCTIONS:

- 1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
- Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to installation of the new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment, BEFORE a deduction may be approved
- 3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated. The 103-ERA must be filed between March 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between March 1 and the extended due date of that year.
- 4. Property owners whose Statement of Benefits was approved after June 30, 1991, must submit Form CF-1 / PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
- 5. The schedules established under IC 6-1.1-12.1-4.5(d) and (e) apply to equipment installed after March 1, 2001. For equipment installed prior to March 2, 2001, the schedules and statutes in effect at the time shall continue to apply. (IC 6-1.1-12.1-4.5(f) and (g))
