

ORDINANCE NO. 2014-218

AN ORDINANCE TO AMEND ORDINANCE NO. 2011-016

THE PUBLIC HEALTH VACCINE FUND

ORIGINAL

**WHEREAS**, On February 1, 2010 the Board of County Commissioners adopted and passed Ordinance #2010-004 which created a Public Health Vaccine Fund.

**WHEREAS**, On June 6, 2011 the Board of County Commissioners adopted and passed Ordinance # 2011-016 which amended the Public Health Vaccine Fund.

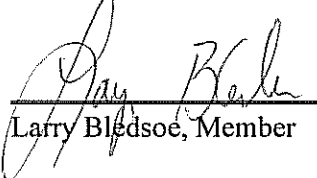

**WHEREAS**, a proper expenditure from said fund should include, the purchase of vaccine and immunization supplies and equipment associated with conducting vaccinations and maintaining HIPAA compliance, and the disposal of bio hazardous waste materials associated with the use and distribution of said vaccines for the public.

**NOW THEREFORE, BE IT ORDAINED BY THE COUNTY COMMISSIONERS OF DELAWARE COUNTY, INDIANA THAT:** The purchase of immunization supplies and equipment and the cost of disposal of bio hazardous waste may and shall be paid from the Public Health Vaccine Fund.

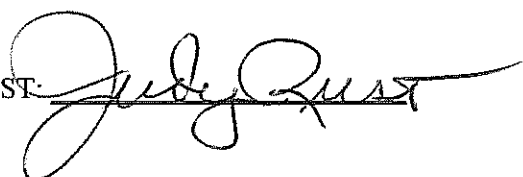

Adopted this 15 September, 2014
