Revised Tax Statements

Some Tax Payers are receiving revised statements.

The goal of the Treasurer's office is to provide accurate information, prompting us to resend tax statements.

The Delaware County Treasurer contacted L & D Mail Masters to print and send tax statements to all property tax payers. We discovered a printing error made by the printing company which affected a small portion of the county residents. L & D Mail Masters agreed to reprint and send the corrected tax statements at no additional cost to the tax payers which were mailed on April 18th.

Affected tax payers will receive an envelope with RED print "Revised Statement Enclosed" We ask that the recipients of the revised tax statement to please dispose of the previous tax statement you received for 2016, payable in 2017 and retain the new ones for their records.

We do apologize for any inconvenience this may have caused tax payers. A copy of this notice, envelope and letter sent to tax payer can be found at <http://www.co.delaware.in.us/treasurer>. If there should be any additional questions feel free to contact our office at 765-747-7808.

Thanks,
