

DELWARE COUNTY VETERAN AFFAIRS

Room 209A

Our office is open Monday through Friday 8:30 – 4:00.

We are closed for lunch and that time often changes based on outside appointments or obligations, but is typically between 11:30 – 12:30.

We operate off of appointments as well as walk-ins. Please keep in mind that walk-ins may not always get helped at that time as we may be with appointments and the rest of our staff may be working outside of the office.

Please be patient with our schedule as we serve veterans in many capacities including nursing home appointments, medical appointments, drug court, etc.

We are here for all veterans and will serve you to the best of our abilities. If no one is in the office and you need someone right away please call the VA Officer, Nate Jones, at: 765-760-2685 or go to the Commissioner's office Room 300 and they will do their best to assist you at that time.

Sincerely,

**The Delaware County Veteran Affairs Staff
765-747-7810**
