Dear Board Members:

The Delaware-Muncie Metropolitan Plan Commission hereby submits to you the following report on the application of: Daniel M. and Karen M. Ashton, 8730 S CR 800W, Daleville, Indiana, such applicant petitioning the Commission to rezone the real estate as described in the application, generally located at: 12600 W CR 550S, 8880 S CR 800W and 8730 S CR 800W, Salem Township, Delaware County, IN. from zone classification: R1 Residence Zone and the BV Variety Business Zone to zone classification: F Farming Zone.

WHEREAS, the Commission has given reasonable regard to the Comprehensive Plan, current conditions and the character of current structures and uses in each district, the most desirable use for which the land in each district is adapted, the conservation of property values throughout the jurisdiction and responsible growth and development; and

PLAN COMMISSION

Description & Location: 12600 W. CR 550S; 8880 S. CR 800W; and 8730 S. CR 800W, Daleville, Indiana.

12600 W. CR 550S is a 4.45 acre parcel that appears to have the 1.44 acre parcel to the north of it as part of the deed, even though they are 2 separate parcels. 8880 S. CR 800W is a 4.37 acre parcel that is vacant and land locked. 8730 S. CR 800W is a 25.24 acre parcel.

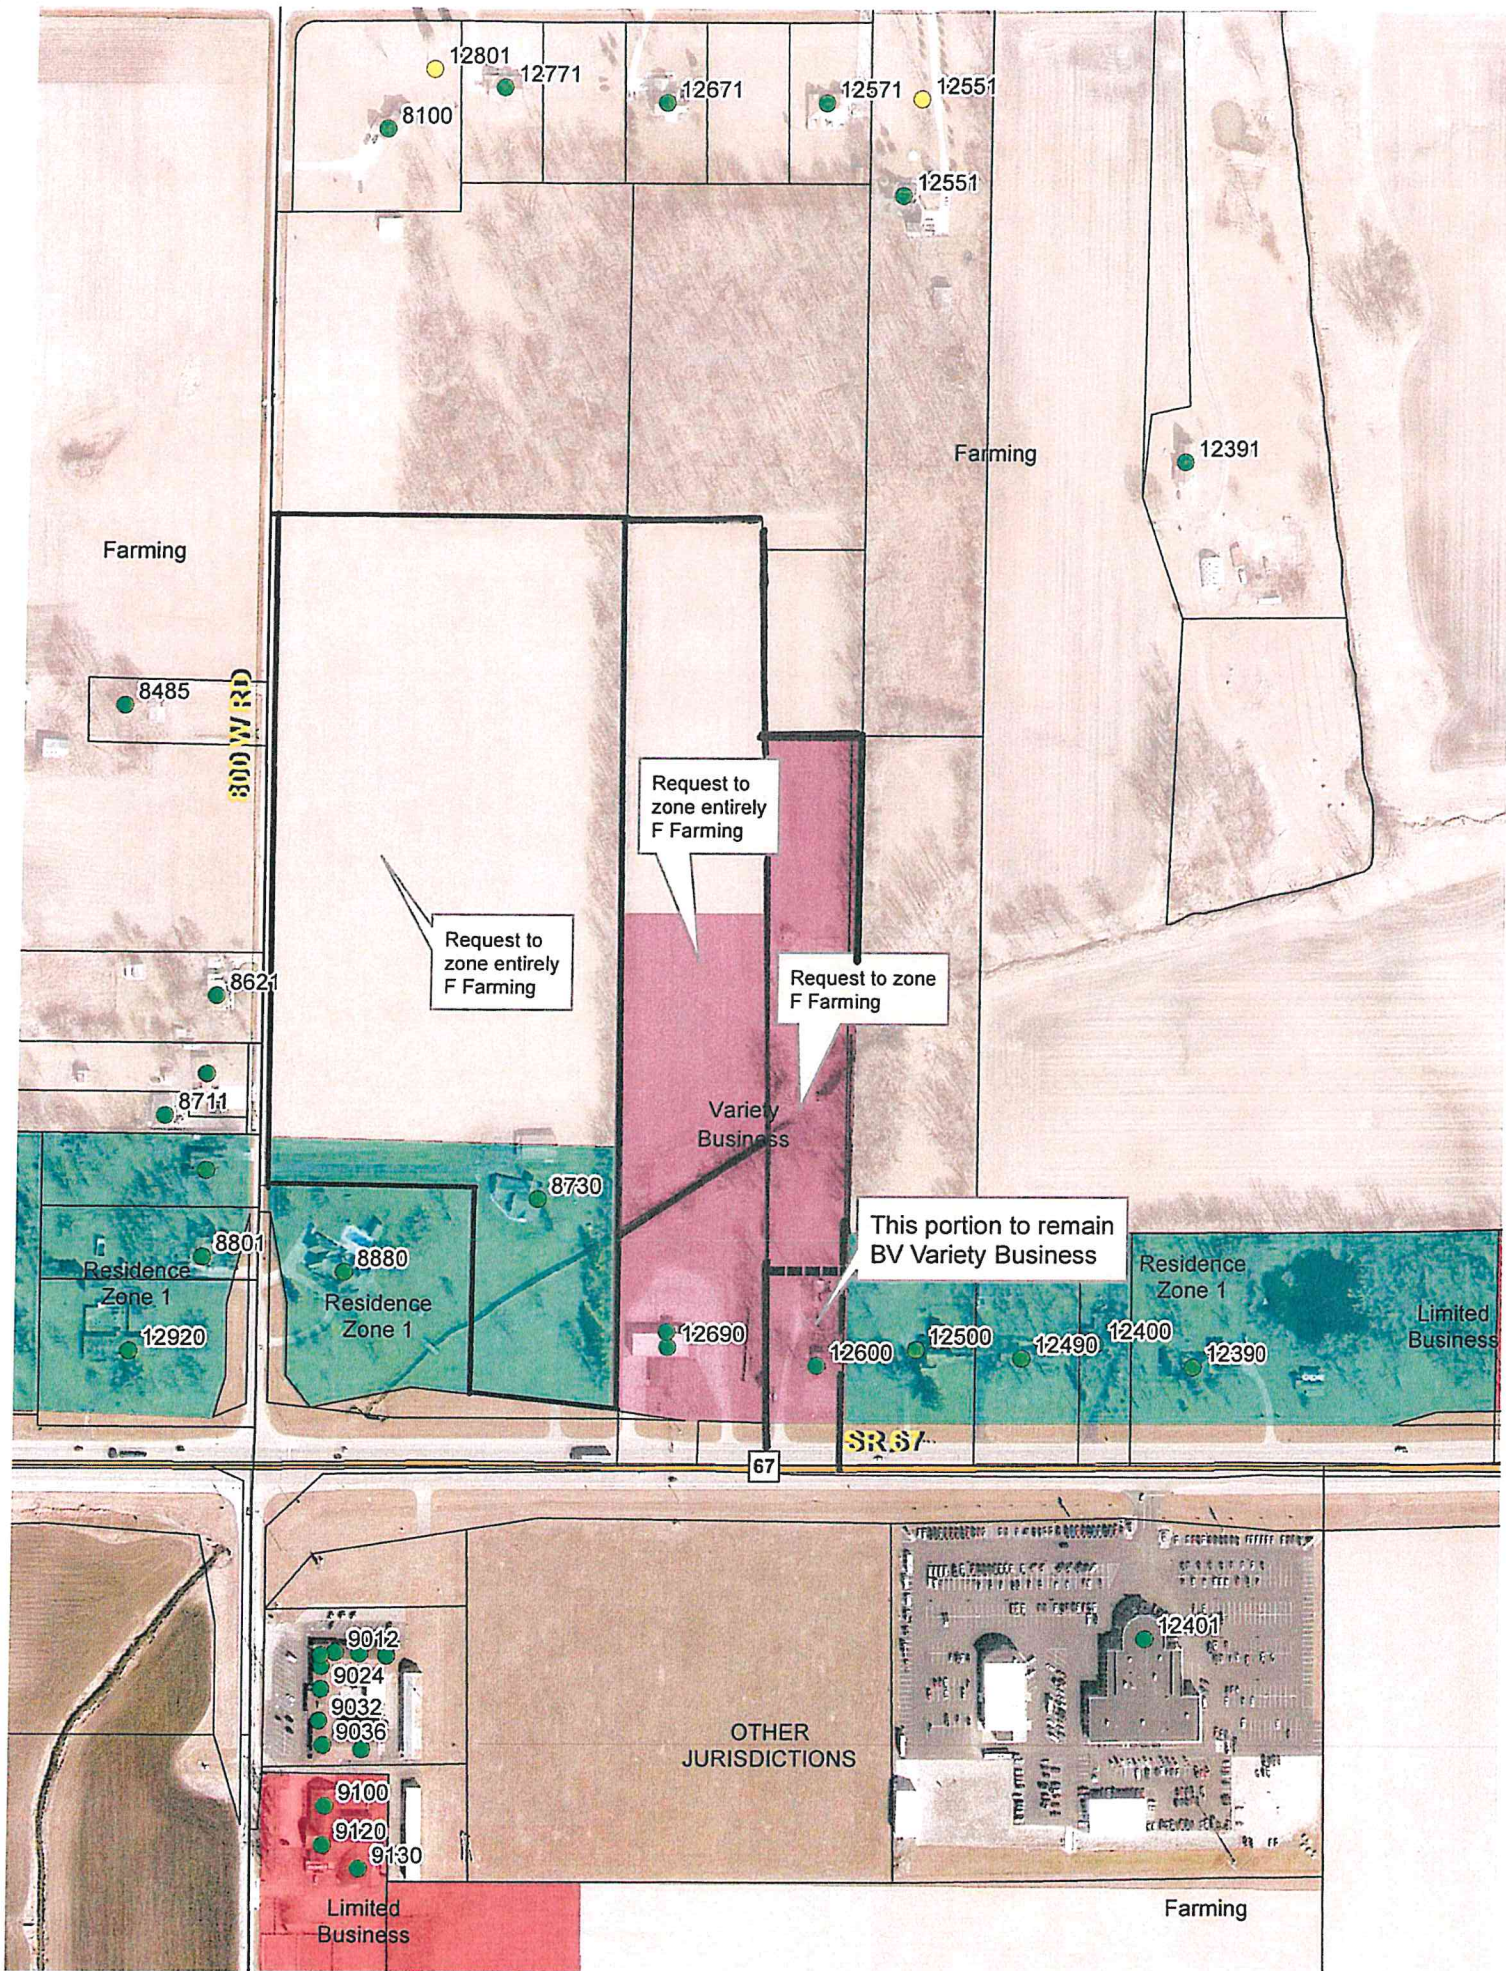

Streets: CR 800W is classified as a Local Road with a 50' proposed ROW according to the Thoroughfare Plan Map. CR 550S in this area is also known as SR 67 and is listed as a Control Access Road with a proposed 150' ROW according to the Thoroughfare Plan Map.

Land Use: The land use in this area is a mixture of R 1 Single Family, F Farming and BV Variety Business Zones.

Zoning: 12600 W CR. 550S is currently zoned BV Variety Business Zone. 8880 S. CR 800W is currently split zoned, with both the F Farming Zone and the BV Variety Business Zone designation. 8730 S. CR 800W is also currently split zoned, with both the F Farming Zone and the R 1 Single Family Residence Zone.

Additional Information:

12600 W. CR 550S: The applicants wish to leave a portion of the front (south) (274.28' X 143.39') of the parcel zoned BV Variety Business Zone and rezone the rest to the F Farming Zone. This will create a parcel with a split zone. The applicants plan to divide off the portion of the parcel with the BV designation in the future through the official platting process. The Subdivision Ordinance will not allow them to do that currently because it would leave a parcel landlocked. When they divide the parcel, they plan to combine the northern portion of the property with the rest of the parcels that are zoned F Farming. This will create one large parcel that is zoned F Farming in its entirety and, doing away with any landlocked parcels.

No

The home on parcel 1408100008000 is to be divided from the remainder of the parcel. In order for the division of this parcel to be viable, the remainder that is landlocked will need to be combined with adjoining property. This parcel does not currently adjoin any property of the same zoning, so it will need to be rezoned in order to be combined. The part of parcel 1408100008000 with the home will remain in the Business Variety zone to fit the county lot width requirement. Parcels 1408100001000 & 1408100019000 are currently split zoned. The rezoning of these parcels to put the entire parcel under one zoning classification will make them more in compliance.
