Mr. Tommy Humbert, Highway Superintendent and Ms. Dye, said this is for paving Creekwood Estates. One bid came in at \$166,700.25 and was approved at a special meeting. They are still asking for \$200,000 in case something comes up during that job. The money can only be used for paving.

Councilmember Webb said people do not realize that funds are tied up with restrictions regarding paving. Webb said that the highway has stepped up to find different ways to pave that are cheaper.

Mr. Humbert said pricing has gone up so what can actually be done is a fraction of what they were able to do previously. People do not realize that some money is restricted for certain projects and only to pave. Mr. Humbert said the maintenance team is doing chip and seal. This maintains the road until the highway can get back to it to pave.

Councilmember Piper reminded everyone of "whose road is it anyway" on the county website. This is a great tool to see if the road is city or county.

Councilmember Quakenbush said motor vehicle and local roads and streets was restricted for paving. Then wheel tax was approved and used for roads. The state is restricting what can be used in MVH.

Councilmember Piper reminded everyone that Public Hearing will be September 7 at 8:30 a.m. with Budget Hearing starting at 9:00 a.m.

Councilmember Webb said for the last couple of months we have all dealt with inflation, rising food costs and everyone is dealing with increased costs to their budgets. Everybody is requesting an increase in salaries, with \$2,000,000 in requested increases. Webb said he has been voting "no" on transfers because he has come to the belief that in order to give the increase in salary that we are going to have to trim some positions. With Sheriff Skinner and Mr. Walthour presenting their plan last month we have increased confidence of the future and what to expect. Councilmember Webb said he is going into this and an opportunity for raises for everybody, not saying everybody's going to but a good opportunity.

Councilmember Webb said since technology is available and since meetings are "live" he would like consideration for budget hearings to be "live".

Councilmember Quakenbush said this request could be given to President Alexander and he could approach the Commissioners since they are the ones that control the cameras. Quakenbush said the public should know and Quakenbush does not have a problem with budget hearings being "live".

This would be up to the Commissioners if the budget hearings are recorded.

MOTION: Councilmember Webb made a motion to have President Alexander approach the Commissioners regarding having the budget hearing "live".

SECOND: Councilmember Quakenbush

President Alexander will speak with Commissioners regarding recording budget hearings. Someone would need to be available to cover it all.

Councilmember Lasater asked who would fund the "live" hearings.

Councilmember Piper said the Commissioners.

Councilmember Webb said it is important to do it from "A to Z".

YEAS; Councilmember Alexander, Councilmember Ballard, Councilmember Chambers, Councilmember Lasater, Councilmember Piper, Councilmember Quakenbush, Councilmember Webb

Commissioner King and Commissioner Henry both commented on Facebook that they do not mind to have budget hearings "live".

Selma Bluebird days will be held Wednesday, August 24 through August 27, 2022.

#### ADJOURN

MOTION: Councilmember Piper made a motion to adjourn until September 27, 2022.
