**PRESENTATIONS TO COMMISSIONERS**

Judge Vorhees came before the Commissioners to inform them about visiting Judges. Delaware County currently has Judge John Barry from Blackford County and Judge Brian Hutchison from Jay County helping with hearings. Vorhees said they had to move the Juvenile Magistrate to Juvenile Court full time because of the explosion in cases. They moved the Master Commissioner to cover Title IV-D Court and this took away coverage from Circuit Courts. Vorhees said instead of coming to the county to ask for more money to cover judicial officers, they asked Judges within the district to help out. They are covering Circuit Court 4 on Thursday mornings. They are coming in as temporary judges at no cost to Delaware County. The Judges are doing this as a favor to Delaware County and Vorhees said they greatly appreciate their help. Vorhees said they are not required to do this. The Delaware County Judges are working with the State on a Local Rule to make sure Delaware County is doing everything correctly with this new procedure. The Supreme Court is very pleased with the efforts and cooperation "our" district is showing.

Commissioner King, President Henry and Commissioner Riffin said although at this time there are no formal steps, the Commissioners all agreed they would like to provide monies from Economic Development Income Tax (EDIT) fund for addiction recovery groups. Due to the epidemic of heroin overdoses and the local use of meth this would provide additional help in recovery programs within Delaware County. A Better Life, Brianna's Hope was mentioned.

Commissioner Riffin said she would like the organization to be non-profit and one that already have procedures in place. Work One has many programs to help people get a job, however, none are offered in the evenings. So many people needing jobs are unable to pass a drug test. Riffin said until something can be done in mental health it will continue to be a problem.

More discussion will take place.
