

ORDINANCE NO. 2021-010

**BEING AN ORDINANCE TO AMEND
THE DELAWARE COUNTY COMPREHENSIVE ZONING ORDINANCE**

WHEREAS, the State enabling act for planning and zoning empowers the Board of County Commissioners of Delaware County, Indiana to adopt a Comprehensive Zoning Ordinance and also provides for amendments to the said ordinance as the need arises; and

WHEREAS, the Board of County Commissioners of Delaware County, Indiana has given reasonable regard to the Comprehensive Plan; current conditions and the character of current structures and uses in each district; the most desirable use for which land in each district is adapted; the conservation of property values throughout the jurisdiction; and responsible growth and development.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF DELAWARE COUNTY, INDIANA, as follows:

Section 1. That the Delaware County Comprehensive Zoning Ordinance, theretofore adopted by the Board of County Commissioners of Delaware County, Indiana, on the 11th day of December, 1973, be amended, changed and supplemented so as to include in the **IL Limited Industrial Zone** the following described real estate located in Delaware County, Indiana, to wit:

see attachment

Section 2. That no structures shall be placed on said lot or parcel of land except in compliance with the Delaware County Comprehensive Zoning Ordinance of Delaware County, Indiana.

Section 3. That this Ordinance shall be in full force and effect from and after its passage by the Board of County Commissioners of Delaware County, Indiana.

Section 4. That this Ordinance is adopted/vetoed this 19 day of April, 2021.

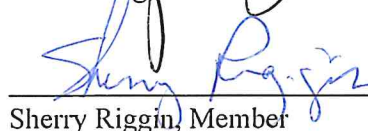

**BOARD OF COUNTY COMMISSIONERS
DELAWARE COUNTY, INDIANA**

Shannon Henry, President

James King, Vice President

Sherry Riggins, Member

ATTEST:

Steven G. Craycraft, Auditor

REPORT TO THE BOARD OF COUNTY COMMISSIONERS

OF DELAWARE COUNTY, INDIANA

April 6th, 2021

To The Honorable:

Board of County Commissioners of Delaware County, Indiana

ORIGINAL

Dear Board Members:

The Delaware-Muncie Metropolitan Plan Commission hereby submits to you the following report on the application of: GVFARMS LLC., 1810 Fairfield Ln., Pendelton, IN, such applicant petitioning the commission to rezone the real estate as described in the application, generally located at: 2451 W. Fuson Rd., Muncie, IN, from zone classification: F Farming Zone to zone classification: IL Limited Industrial Zone.

WHEREAS, the Commission has given reasonable regard to the comprehensive plan, current conditions and the character of current structures and uses in each district, the most desirable use for which the land in each district is adapted, the conservation of property values throughout in the jurisdiction and responsible growth and development; and

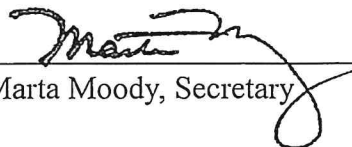

NOW, THEREFORE, the Delaware-Muncie Metropolitan Plan Commission hereby FAVORABLY RECOMMENDS (5-4) the application for rezoning.

DELAWARE-MUNCIE METROPOLITAN
PLAN COMMISSION

BY:

Shannon Henry, President

Marta Moody, Secretary

Exhibit A

Area to Rezone

Tract 1:

The West Half of the Northeast Quarter of Section Thirty-two (32), Township Twenty (20) North, Range Ten (10) East, containing Eighty (80) acres, more or less, all of which is located in Delaware County, State of Indiana.

Except: A part of the West half of the Northeast Quarter of Section 32, Township 20 North, Range 10 East, Delaware County, Indiana, described as follows: Beginning on the South line of said half-quarter section North 89 degrees 57 minutes 44 seconds West 1,320.00 feet (along the South line of said Northeast Quarter Section) from the Southeast corner of said quarter section; thence North 89 degrees 57 minutes 44 seconds West 1,320.01 feet along the South line of said half-quarter section to the West line of said half-quarter section; thence North 0 degrees 42 minutes 48 seconds West 231.51 feet along said West line; thence South 89 degrees 49 minutes 00 seconds East 1,319.99 feet to the East line of said half-quarter section; thence South 0 degrees 43 minutes 54 seconds East 228.15 feet along said East line to the point of beginning and containing 6.964 acres, more or less. Subject to all legal highways and rights of way.

Tract 2:

The East Half of the Northeast Quarter of Section 32, Township 20 North, Range 10 estimated to contain eighty (80) acres, more or less.

Except: A part of the East Half of the Northeast Quarter of Section 32, Township 20 North, Range 10 East, more particularly described as follows, to-wit: Beginning at the Southeast corner of the East Half of the Northeast Quarter of Section 32, Township 20 North, Range 10 East, thence North 89°57'44" West and on the South line of said Northeast Quarter 1320.0 feet to the Southwest corner of the East Half of the said Northeast Quarter; thence North 00°43'54" West 228.15 feet to a point, which point, is the point of beginning for the land herein described (Also being in the North right of way line of Indiana State Highway #67 – Bypass); thence South 89°49'00" East and on and along said right of way line 280.18 feet; thence North 87°54'22" East and on and along said right of way line 220.28 feet; thence Northeasterly on a curve to the left and on said right of way line, said curve having a radius of 507.96 feet and a long chord distance of 110.98 feet to end of said curve; thence North 59°04'40" East and on and along said right of way line 235.15 feet; thence North 60°12'32" East and on and along said right of way line 229.82 feet; thence North 71°30'29" East and on and along said right of way line 179.9 feet; thence North 01°43'52" East and on and along said right of way line 345.33 feet; thence North 07°46'21" East and on and along said right of way line 222.24 feet; thence North 00°45'30" West and on and along said right of way line 300.0 feet North 02°06'15" East and on and along said right of way line 18.36 feet; thence North 90°00'00" West 1232.82 feet to the West line of the said East Half of the Northeast Quarter; thence South on and along said West line 1185.12 feet to the point of beginning. Estimated to contain 30.283 acres, more or less.

Also excepting that portion of said real estate conveyed to the State of Indiana by Deed Record 1969 pages 1244-1247, more particularly described as follows, to-wit: A part of the East Half of the Northeast Quarter of Section 32, Township 20 North, Range 10 East, Delaware County, Indiana, described as follows: Beginning at the intersection of the western boundary of Cowan Road and the South line of said half-quarter section North 89 degrees 57 minutes 44 seconds West 16.50 feet (along said South line) from the Southeast corner of said half-quarter section: (1) thence North 89 degrees 57 minutes 44 seconds West 1,303.50 feet along said South line to the West line of said half-quarter section; (2) thence North 0 degrees 43 minutes 54 seconds West 228.15 feet along said West line; (3) thence South 89 degrees 49 minutes 00 seconds East 280.18 feet; (4) thence North 87 degrees 54 minutes 22 seconds East 220.28 feet; (5) thence Northeasterly 111.20 feet along an arc to the left and having a radius of 507.96 feet and subtended by a long chord having a bearing of North 79 degrees 45 minutes 58 seconds East and a length of 110.98 feet; (6) thence North 59 degrees 04 minutes 40 seconds East 235.14 feet; (7) thence North 60 degrees 12 minutes 32 seconds East 229.82 feet; (8) thence North 71 degrees 30 minutes 29 seconds East 179.90 feet; (9) thence North 1 degree 43 minutes 52 seconds East 345.33 feet; (10) thence North 7 degrees 46 minutes 21 seconds East 202.24 feet; (11) thence North 0 degrees 45 minutes 30 seconds West 300.00 feet; (12) thence North 2 degrees 06 minutes 15 seconds East 400.50 feet; (13) thence North 0 degrees 45 minutes 30 seconds West 775.00 feet; (14) thence North 38 degrees 38 minutes 00 seconds West 57.01 feet; (15) thence North 78 degrees 17 minutes 01 second West 128.02 feet to the Southern boundary of S.R. 67; (16) thence South 89 degrees 52 minutes 30 seconds East 174.77 feet along said boundary; (17) thence South 60 degrees 26 minutes 36 seconds East 44.58 feet continuing along said boundary to the Western boundary of Cowan Road; (18) thence South 0 degrees 45 minutes 00 seconds East 2,617.00 feet along said Western boundary to the point of beginning and containing 13.708 acres, more or less.

Delaware-Muncie Metropolitan Plan Commission
Excerpt of Case Analysis - April 2021

MPC 02-21Z GVFARMS, LLC

Location & Description: 2451 W. Fuson Rd., Muncie

Located on the south side of W. Fuson Rd. and west side of S. Cowan Rd. SR 67

Traveling west on Main St. from downtown, go to S. Liberty St., turn left (south), go ~ 0.5 miles to S. Hoyt Ave., veer turn right (west), go ~ 1.3 miles to S. Cowan Rd., turn left (south), go ~1.6 miles to W. Fuson Rd., turn right (west), the site is on the left (south) side of W. Fuson Rd. and the west side of S. Cowan Rd.

The site is a parcel consisting of 109.04 acres. The site includes a pole barn with a lean to that were built in 2008. The site has two wooded areas; one area is ~ 8 acres and the other area is ~ 1 acre.

Streets: This section of W. Fuson Rd. and this section S. Cowan Rd. are classified as Secondary Arterial Roads with 80' proposed R.O.W. according to the Thoroughfare Plan Map. This section of W. Fuson Rd. has ~65' of dedicated R.O.W. extending from the center of the road north; there is no dedicated R.O.W. on the south side of the road. This section of S. Cowan Rd. has dedicated R.O.W. with the minimum width being ~166'. This section of SR 67 is classified as a Control Access Road with 150' proposed R.O.W. This section of SR 67 has dedicated R.O.W. of 260'. This section of W. Fuson Rd., S. Cowan Rd., and SR 67 are classified as Major Roads according to the Delaware County Major/Minor Roads Map.

100

100

100

100

100

100

Land Use: The property is currently agricultural in use. Surrounding properties to the west and east are agricultural and residential in use; surrounding properties to the north are industrial in use; surrounding properties to the south are agricultural in use.

Zoning: This site is classified in the F Farming Zone. Surrounding properties to the west are classified in the R-5 Residence Zone; surrounding properties to the north are classified in the IP Industrial Park Zone; surrounding properties to the east are classified in the II Intense Industrial Zone; and surrounding properties to the south are classified in the F Farming Zone.

Request: The applicant is requesting a change to the IL Limited Industrial Zone. The applicant would like to be able to sell the property for limited industrial development.

The Land Use Plan map in the 2000 Muncie-Delaware County Comprehensive Plan identified this area for agricultural land use. In the last twenty years, industrial uses have been developed on the west side of Cowan Rd. north of this area; these areas are also identified for agricultural land uses in the Land Use Plan map.

The soil survey for Delaware County identifies 5 soil types across the site: Crosby silt loam (CudA), Martinsville loam (MecA), Pella silty clay loam (PgaA), Rensselaer loam (ReyA), and Treaty silty clay loam (ThrA). MecA is classified as prime farmland, the other 4 soil types are classified as prime farmland where drained.

Aerial of the site from 2019.

**DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION
PROPOSED ZONING CHANGE APPLICATION**

Jurisdiction: (Check One)

☒ Delaware County

☐ City of Muncie

Submitted: 2-10-2021

Case No.: MPC 02-21Z

(1) Applicant: Glenn Cleland, GVFARMS, LLC

Address: 1810 Fairfield Ln Phone: 765-730-0740
Pendleton, IN 46064

(2) Record of Applicant's Ownership:

A. ☒ By Deed:
Deed Book No. & Page No.: 2013R15260 - File No. 20133364
Date of Deed: October 25, 2013

B. ☐ By Recorded Contract:
Misc. Book No. & Page No.: _____
Date of Contract: _____

C. ☐ By Unrecorded Contract:
Date of Contract: _____
Name of Contract Seller: _____
Book No. & Page No. Of Deed in Seller's Name: _____

(3) Legal Description of Property for which rezoning is requested: (From the Deed or Abstract).
Please see attached deed.

(4) Common Address of Property Involved:
2451 West Fuson Road Muncie, Indiana

(5) Proposed zoning change: (Give exact zone classification.)
From the Farming Zone
To the Limited Industrial Zone

- (6) Intent and Purpose of Proposed Change: (Specify use contemplated on property.)

Zoning change is requested to allow the property to serve its best use, conforming with the three adjacent corners and the adjacent Industria Centre industrial park. Intended use is that which is allowable in the LI zone.

- (7) Will the Owner develop the property for the use specified in Item 6 or does owner intend to sell property for the purpose specified.

The owner does not intend to personally develop the property but is a willing seller for future development.

- (8) State how the proposed change will not adversely affect the surrounding area.

The property is in an industrial setting and is adjacent to Industrial Park and Intense Industrial. The requested LI would be a step down from those classifications but would conform to those surrounding uses.

- (9) Will certain variances be requested if the proposed zoning change is granted?
(If yes, list the variances)

No variances are being requested and none are anticipated at this time.

- (10) Has the applicant provided stamped, addressed envelopes to send notices of this rezoning to all the property owners within 300 feet? yes

Has the applicant discussed this rezoning with those owners personally? Some
(If answer is yes, give their attitudes toward the rezoning.)

Spoke with three owners north of the property on Fuson Road and there were no concerns shared.

- (11) Are there any restrictions, easements, and/or covenants governing the property prohibiting its use for the purpose specified in this application?

(If answer is yes, attach copy of it and/or explain.)

No.

Subject: County Environmental Oversight

CAUTION: This email originated from outside of Delaware County Government. Please *do not click links or open attachments* from an *unknown* or *suspicious* sender.

Marta,

For tonight's hearing, I'd like to share that the Delaware County Redevelopment Commission (DCRC) has in place a process by which industrial prospects who are requesting incentives are required to submit responses to a template environmental questionnaire. Depending on the responses submitted, the DCRC then will decide to contract with an environmental consulting firm to advise and provide oversight as to the companies activities and processes. Compliance with the County's oversight is mandatory in order to receive incentive assistance. This process was put into place in response to concerns over new companies coming to the community that potentially could endanger human health. The County oversight through a third party environmental consulting firm has greatly helped the County to understand the processes that will actually be happening at facilities and enables the County to take action if a project is not in compliance with local expectations or endangers human health. Any project that locates on the property being considered for rezoning at tonight's hearing and who requests local assistance, will be subject to this oversight.

Please feel free to share this email with members of the zoning board...

Sincerely,

Bradley Bookout

Marta:

As you may know, Glenn Cleland, the property owner of GV Farms is not able to travel to Delaware County for tonight's meeting. He had purchased a flight but later determined that he could not make the trip due to a rotator cuff surgery that took place last week. He offered to participate via Zoom, but that is not an option for this meeting. He watched the video from the previous meeting and provided the statement below.

Subject: Re: Plan Commission

Traci,

I watched the Youtube video from the last meeting of the planning commission. I totally understand the concerns of the residents. I also understand that the request will also not allow an Exide type operation to be built there.

I spent the bulk of my life as a Muncie area resident so the area has been dear to my heart. Having a business there for 40 years gives me a unique understanding of the needs of the jobs community and how it plays into the overall success of the area. That being said I purchased the farm in 2008 or so as an investment. It is choice ground for rezoning and a prime spot to attract good paying jobs if the opportunity arises. It is by far the best use for the property to benefit the community as a whole and I recognize that. Countless families can benefit if the right organization develops this property. Our whole community benefits and this could possibly jumpstart Muncie towards positive growth and increase our tax base.

I don't know who is interested in the property but I do know Muncie needs economic development so that our population can share in the prosperity of this country. I also know through my own experience at site selection for my operations at MagnaTech that companies want to keep things very close to the cuff for competitive reasons. I want to see Muncie grow, prosper and the residents have good paying jobs. I also want to see something go there that is an asset to our community not an eyesore and I have faith in the new leadership in the community to make sure that happens. If I can contribute to that, irregardless of my personal wishes, I feel obligated to the people in the community to help provide them with great job opportunities to support their families and achieve their dreams.

METROPOLITAN PLAN COMMISSION

Members of the Zoning Board

March 29, 2021

I am Leonard Reese, Monroe Township Trustee, Delaware County, Indiana. I have received multiple calls on Case No. MPC 01-212. I would ask to board to consider the following items:

1. Just because the other 3 corners of the intersection are zoned with industrial classifications does not indicate this corner needs to be the same. The area east of Cowan Road is already zoned Intense Industrial (which also allows uses permitted in all business and industrial zones) and is still being farmed, so why is more farm ground needing to be rezoned?
2. There is already an empty shell building that was built 8-9 years ago that is still unoccupied.
3. The infrastructure does not exist on or adjacent to this site. There are properties available north of Fuson Road that have immediate access to sewer and water.
4. This is likely to increase the amount of traffic in an already accident-prone area. As a part of this zoning change will the County Commissioners complete the overpass/ramp system?
5. Through the northeast 40 acres, there is the Geo. Heath Legal Court Drain, which is not shown on any of the maps or the survey provided with the application, what becomes of this? There is also a gas transmission pipeline near the southside of the north right of way line of the Muncie Bypass not shown on drawings or the survey drawing.

I realize this is an attempt to bring manufacturing to the south side of Muncie, but what becomes of the residential areas that already suffer with strong fumes from the Industrial Centre to the north of Fuson Road? Please consider these items as you place your vote for or against rezoning these parcels of farm ground.

The question that needs to be ask, if your residential neighborhood was about to be abutted by a future manufacturing facility would you be excited to see your home values drop?

Leonard Reese
Monroe Township Trustee
Delaware County, Indiana

MPC 01-21Z and MPC 02-21Z

Plan Commission staff took a call from David Smith who lives nearby in Southwind Village and his mother, grandmother and aunt live in a farm house adjacent to one of the rezonings. Mr. Smith wished to express his opposition to the request for rezoning. He stated that he has experienced health problems related to pollution and is sensitive to the emissions from the existing Exide plant which emits lead for which he has been tested and has a higher than normal level. He stated his concerns include environmental impacts of industrial development and the fact that as it currently exists the area is an attractive gateway to Muncie to the north and to the Cowan area to the south. Mr. Smith pointed out that there currently exists several vacant sites already zoned for industrial use, some containing shell buildings. Mr. Smith said he would like to see the area continue to make a positive statement about Muncie and Cowan and not be developed as industry.

MPC 01-21Z and MPC 02-21Z

March 31, 2021

Plan Commission staff took a call from Valerie Ippel who stated that she lives about 1 mile away from the properties up for rezoning. She wanted the Commission to know that she is opposed to the rezoning request. She stated concerns about increased noise and traffic, especially if the land is developed as an industrial or utility use. She added that her concerns extend to include an adverse effect on the resale value of residential property in the area including her home.

Delaware Zoning Board
Muncie, IN

RE: Cowan Road rezoning application

Dear Board Members:

My name is Pamela L. Porter and I live at 6121 South Cowan Road Muncie, IN. My land and home are located across the by-pass on Cowan Road from the land that is being considered for rezoning.

The purpose of my contact is to contest the rezoning of the farm land located between Fuson Road and the Muncie by-pass. I oppose the rezoning of the land from farming to industry zoning. I base my object on the following issues.

- 1) Noise pollution. We currently are dealing with blower noise from the industrial park located just north of the land current being considered for rezoning. The noise from that area is a continued blowing sound. I can't imagine the how loud this would be if it were "just across the street."
- 2) Traffic control issues: Cowan Road is a poorly maintained and heavily traveled road. The light at Cowan Road and the by-pass is dangerous. There are frequent accident at this light. I have witness frequent incidents where the traffic traveling on the by-pass simply run the red light. This is fast moving traffic and those who travel Cowan Road through this light know to wait to confirm oncoming traffic on the by-pass is stopping before crossing despite the fact Cowan Road has the green light. I fear a significant increase in traffic related to additional industrial business would increase the accidents and traffic.
- 3) Contamination: Hazardous products seeping into our water and air. Currently we have a concern about water contamination because of chemicals going into the ground water from the industrial park. Adding additional chemicals will only complicate this issue.
- 4) Property value: My family has lived in Muncie for over 100 years. My parents owe the home at 5911 South Cowan Road, immediately across the by-pass. My home is just a bit further south. One of the great values and appeal of our land and homes offer is being in the country. We have traffic noise from the by-pass already, adding to the traffic, the congestion and the odor will greatly decrease property value. In addition to the fact our views are farm fields and trees. The construction of a factory will greatly decrease the esthetic value of our homes.
- 5) Loss of personal enjoyment: There is no way to quantify the value of being able to sit outside and hear the bird, frogs and other critters from our front porch or backyard. We purposefully build our home in the Cowan community because we wanted to live in a rural community surrounded by nature not factory building, traffic congestion and odors.

- 6) Loss of farmland: We need farmland, more open spaces where wild life can live and people can relate to nature. I'm not big on the coyotes but they are part of our environment and land. We need to protect our green areas not destroy them.

Another point is there are areas that are already zone for industry available. There is a beautiful new building that has sat empty for years located on Fuson Road along with land currently zone for business.

We must respectfully oppose this rezoning. We strongly feel this will have a very negative impact on our homes, our lives and our well-being.

Thank you for your anticipated consideration of our concern and the denial of the request for rezoning the farm land.

Respectfully submitted,

Pamela and Gary Porter

Re: rezoning of farm land located on Cowan Road, Muncie by pass and Fuson Road

Dear Members

My name is Marveline Garrett. I live at 5911 South Cowan Road for over 31 + years. I have lived in Muncie, IN for over 70+ years. I have asked my daughter to type this letter as I am unskilled at using a computer.

I oppose the rezoning for the following reasons. I lived directly across the proposed rezoning. One of the greatest joys of my day to day life is being able to sit on my front porch and watch the deer across the road. I listen to the birds and small animals as they go about their day. I love the early evening sound of crickets, birds and the frogs. It's an amazing time to relax and be grateful for this beautiful land. Building a factory across the street from me will destroy this. The noise we hear from the factories located on the north side of Fuson already interferes with this.

The traffic on Cowan Road during the early morning and evenings (work, school days) is heavy and there are many accidents at the traffic light at the bypass and Cowan Road. I have two grandchildren and two great grandsons who will (way to soon) be traveling this road. I fear for the safety of these young people traveling on the road already, because of the speed of the traffic on the bypass and the fact these people often run the red light. To add additional business where there will be a mass exiting or arrival of commuters will significantly increase the danger.

Our business of 65+ years, Garrett Auto Sales is located on Cowan Road. I know our city and our community need to grow and we need jobs however this need should to be balanced with the need for clean, accessible farm land. The traffic, the air pollution and the potential ground water pollution will have a negative impact on our neighborhood.

Additionally, having a factory located across the street will decrease our value of our home and land. I'm very concerned and although I welcome new business I think there are other locations for new business. We have several locations that are already zone for business and sitting empty.

Thank you for your time and consideration in this important matter.

Respectfully submitted

Marveline Garrett

ithwind Village Resident started this petition to Muncie Mayor - Dan Ridenour and 2 others

s petition is in opposition of the approximate 140 acres of farmland located at the intersection of Cowan Road and /Y 67 in Muncie, Indiana being rezoned to **INDUSTRIAL**.

cel #'s:
2200001000
2200004000

ublic hearing is scheduled for April 1st, 2021 with the Delaware-Muncie Metropolitan Plan Commission (DMMPC) to one what is existing F Farming Zone to the IL Limited Industrial Zone. Once rezoned, this property can be sold and

developed by factories. It is rumored that offers are already in the works for industrial development of this site. Once rezoned, we will have no control over the type of facility that moves in. Those in favor of the rezoning will point out that this is "light industrial," which is different from "heavy industrial." However, according to Beacon.com, what is known as Exide Manufacturing is considered "light industrial."

If rezoned to light industrial, this land can be rezoned again to intense industrial to accommodate any type of business. Would we want to risk having another facility like Exide near our families, homes, and neighborhoods?

This appears to be an intended expansion of the Industrial Park encroaching on nearby homes and neighborhoods.

By signing this petition, you are requesting that this land NOT be rezoned. There is an empty shell building available, as well as **MULTIPLE** other sites that are already zoned for industry that can bring much needed jobs to Delaware County.

This hearing is **ONLY** about the rezoning. Make sure we focus on the rezoning.

In addition to signing this petition, you are encouraged to attend the public hearing scheduled for April 1st at 6pm in the County Commissioners Court Room, 3rd Floor, Delaware County Building. You can also call **(765) 747-7740 BEFORE** the hearing. The Commission secretary will answer the phone. Tell her you are calling about the large parcel of land at the intersection of Cowan Road and HWY 67. She will ask for your name and address. Tell the Commission secretary whether you are "**for**" or "**opposed**" to the rezoning of this property. You can also request to leave your comments. Your answers are recorded and read aloud at the hearing.

Also, put a sign in your front yard letting your voice be heard. And tell your friends and neighbors to sign this petition.
