If you have children and want to make this a family activity:

- Make a map of your home. Mark a door and a window that can be used to get out of every room.
- Choose a meeting place outside in front of your home. This is where everyone can meet once they’ve escaped and where firefighters can see you and know you are out. Draw a picture of your outside meeting place on your escape plan.
- Write the emergency telephone number for the fire department on your escape plan.
- Sound the smoke alarm, and practice your escape drill with everyone in your home.
- Keep your escape plan on the refrigerator, and practice the drill twice a year or whenever anyone in your home celebrates a birthday.

If your family is all adults:

- Walk through your home, and identify two ways out of each room.
- Choose a meeting place outside in front of your home. This is where everyone can meet once they’ve escaped and where firefighters can see you and know you are out.
- Make sure everyone knows the emergency number for your local fire department.
- Practice your escape drill twice a year.
