Spring property tax installments for Delaware County residents are due Wednesday, May 10, 2017. Tax statements will be sent out earlier this year, Wednesday, April 5, 2017. The statements will include both the spring and fall coupon installment amounts.

Delaware County Treasurer Edward E. Carroll said the Treasurer's Office is better prepared for the collection by adding an additional cashier, reducing lines for payments. As Treasurer, it's our goal to provide the most efficient service for the residents of Delaware County.

Taxes may be paid at the Treasurer's Office, Monday through Friday, from 8:30 am to 3:45 pm. Payments may be made at local banks, sending the installment through the mail, or by visiting www.co.delaware.in.us/taxpayments. For most efficient service, please bring all statements when paying your taxes in the Treasurer's Office or at the banks.

Taxes paid through the regular mail must be postmarked on or before tax due date to avoid any penalties.

The Treasurer's Office will be closed for bookkeeping purposes the day after the deadline through Friday, May 12. Regular business hours will resume on Monday May 15, 2017.

For questions or further information, contact the Treasurer's Office, (765)747-7808.

Thank You,
