FOR IMMEDIATE RELEASE:

NEW TOTALS: 251 CASES OF COVID-19 IDENTIFIED IN DELAWARE COUNTY; 21 TOTAL DEATHS

DELAWARE COUNTY, IN- The Delaware County Health Department (DCHD) reports Friday of 5 additional individuals within Delaware County having tested positive through lab testing for SARS-CoV-2 (the virus that causes COVID-19 infection); bringing the latest totals to 251 confirmed cases and 21 attributed deaths.

The DCHD continues working closely with the local and state officials to ensure that contacts of the patient are identified and that all infection control protocols are being followed.

The most recently confirmed cases being reported since yesterday's Press Release include 1 female under 18, 2 females over 60, 1 male over 60, and 1 female over 80. There are currently 3 total Delaware County cases hospitalized. No additional information about the patients will be released at this time due to privacy laws.

The Indiana State Department of Health (ISDH) provides statewide updates as new information becomes available. Visit the ISDH website at in.gov/coronavirus for the most up-to-date information on COVID-19 in Indiana.

For updated local information: The Delaware County Emergency Management Agency, in collaboration with the Delaware County GIS Department, have created and are maintaining a central location for local updates. Please visit the Delaware County, Indiana Coronavirus Hub at www.dcema.com.
