Dear Bill,

I am pleased to inform you that Ball Brothers Foundation has approved a grant of \$60,000 for the Judicial Users Manufacturing Partnership Program.

Enclosed please find a copy of a detailed grant agreement signed by the Foundation. Please sign and return a copy to BBF. Another copy should be retained for your records. Please refer to this document when designating the funds within your organization. Funds are expected to be utilized as outlined in the budget submitted with the request. Any reallocation of funds must be approved in advance.

Due to the changes related to the partnership structure with Ivy Tech, it is unclear specifically which organization/person will be responsible for the oversight of this staff position. The foundation is therefore requesting a detailed explanation of the reporting/supervisory structure. This should be submitted with the signed contract. When both items are received, the check will be forwarded to your attention.

You will note in the contract that we are asking for quarterly reports on the program's progress. We are excited about J.U.M.P. and the potential impact it could have on our community.

Sincerely,

Jud Fisher
President & CEO
