Amendment to Special Use Permit – BZA 16-25
Stillwell Manor Haunted Attraction

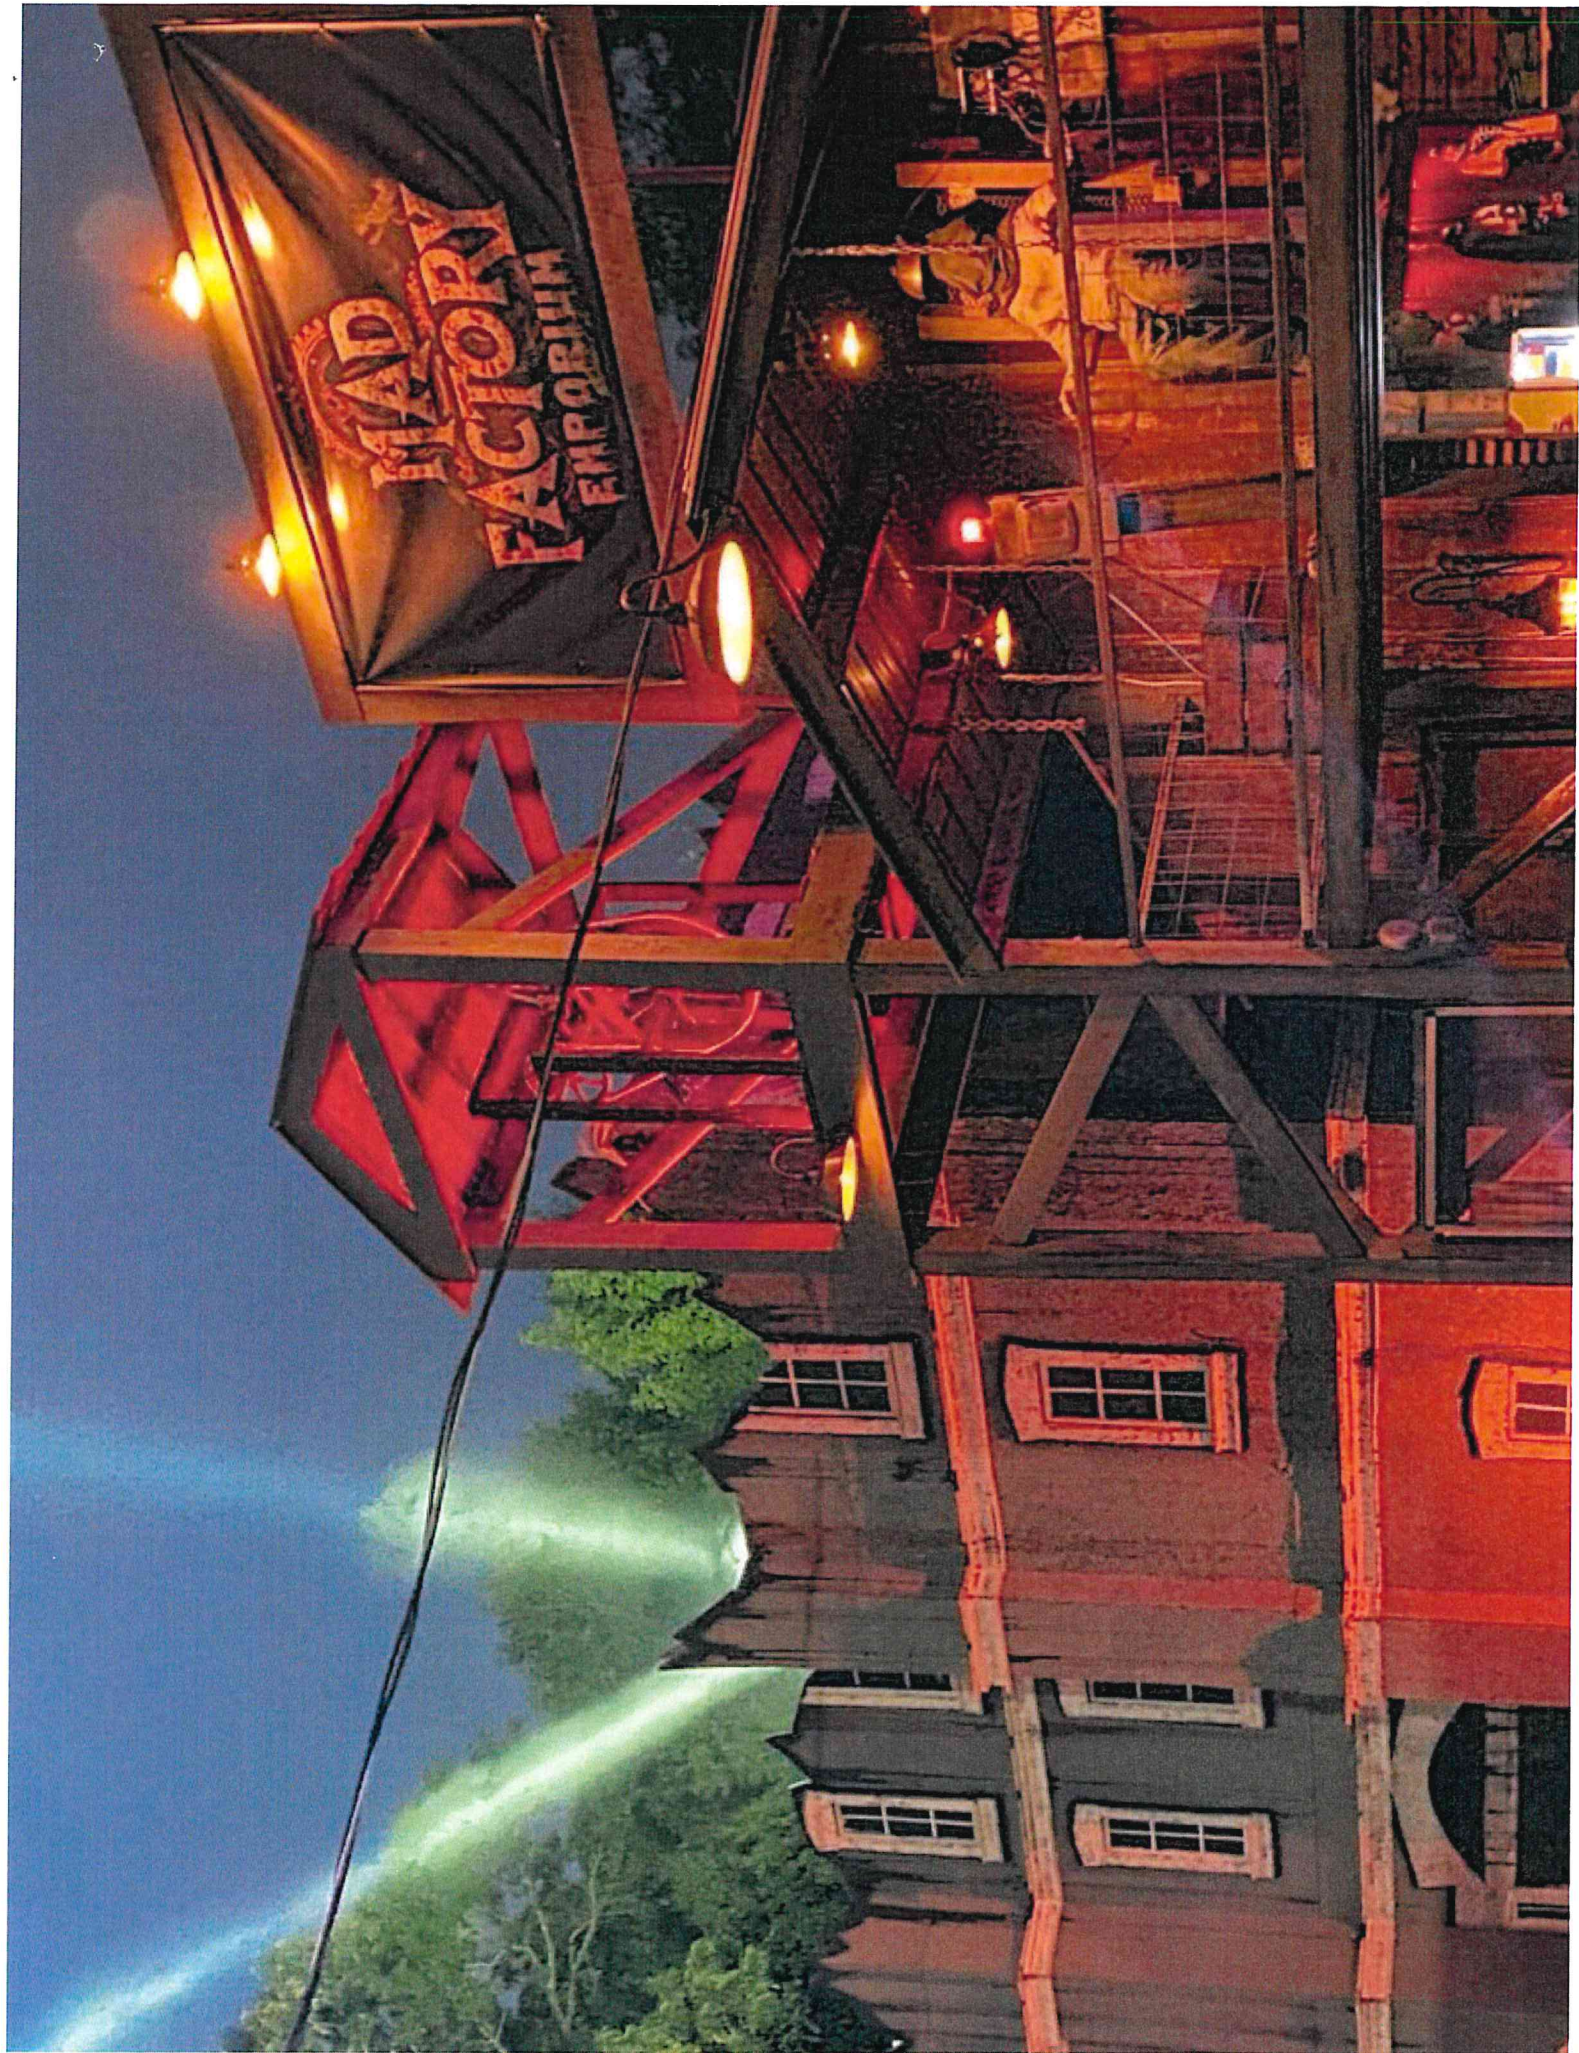

BZA 16-25

DELAWARE-MUNCIE
METROPOLITAN PLAN COMMISSION

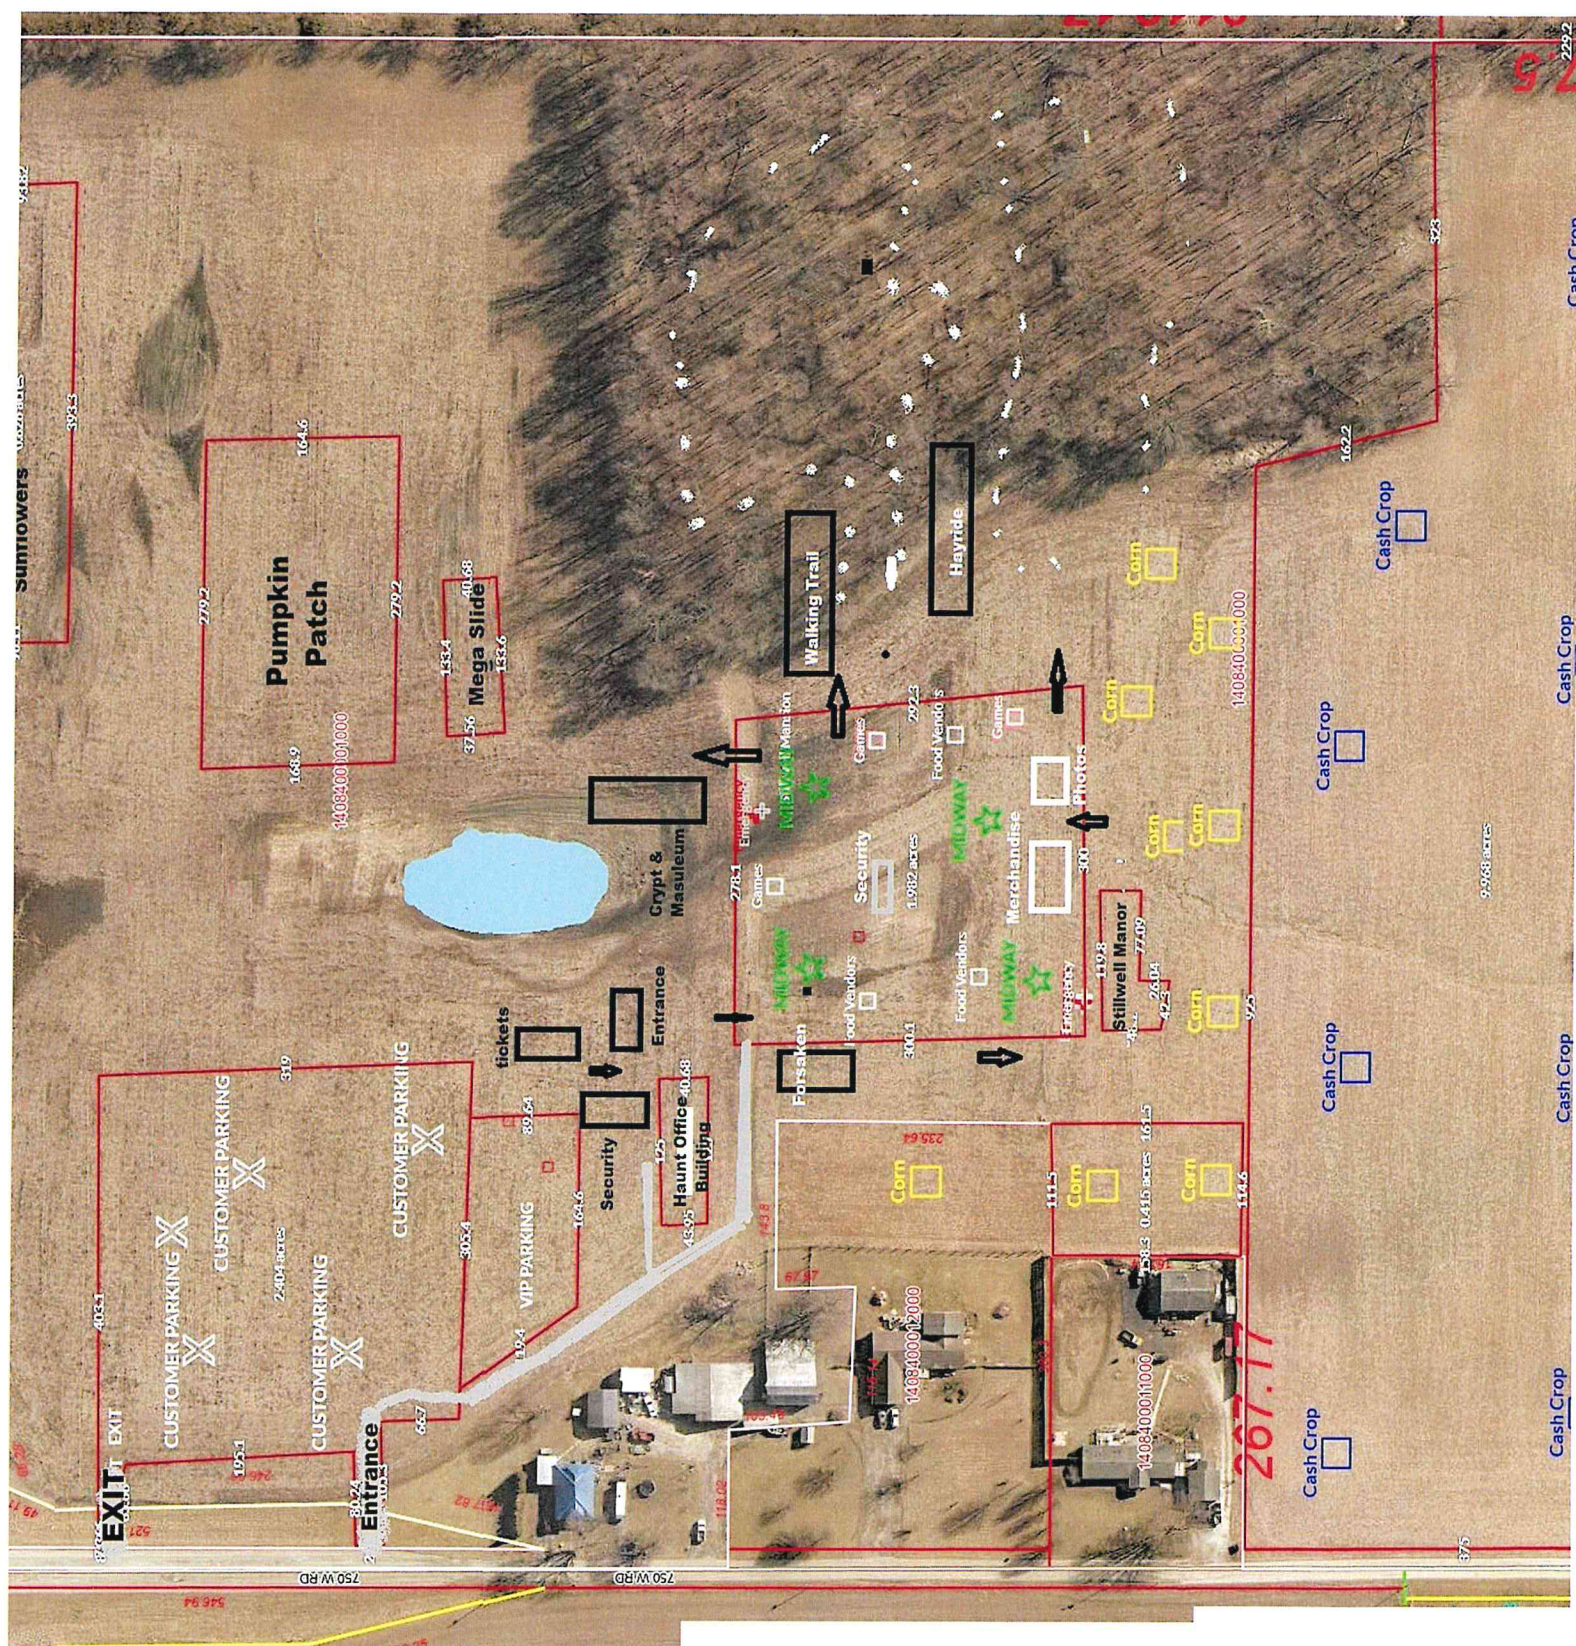

Please add this addendum to the Application for Special Use Permit. We have modified the layout to address many of the specific concerns brought up by the neighbors in the April 3rd meeting with the Plan Commission. We have modified the proposed layout of the attractions, midway, parking, and egress access from the attraction to SR 67. We have also clarified a few subjects in greater detail.

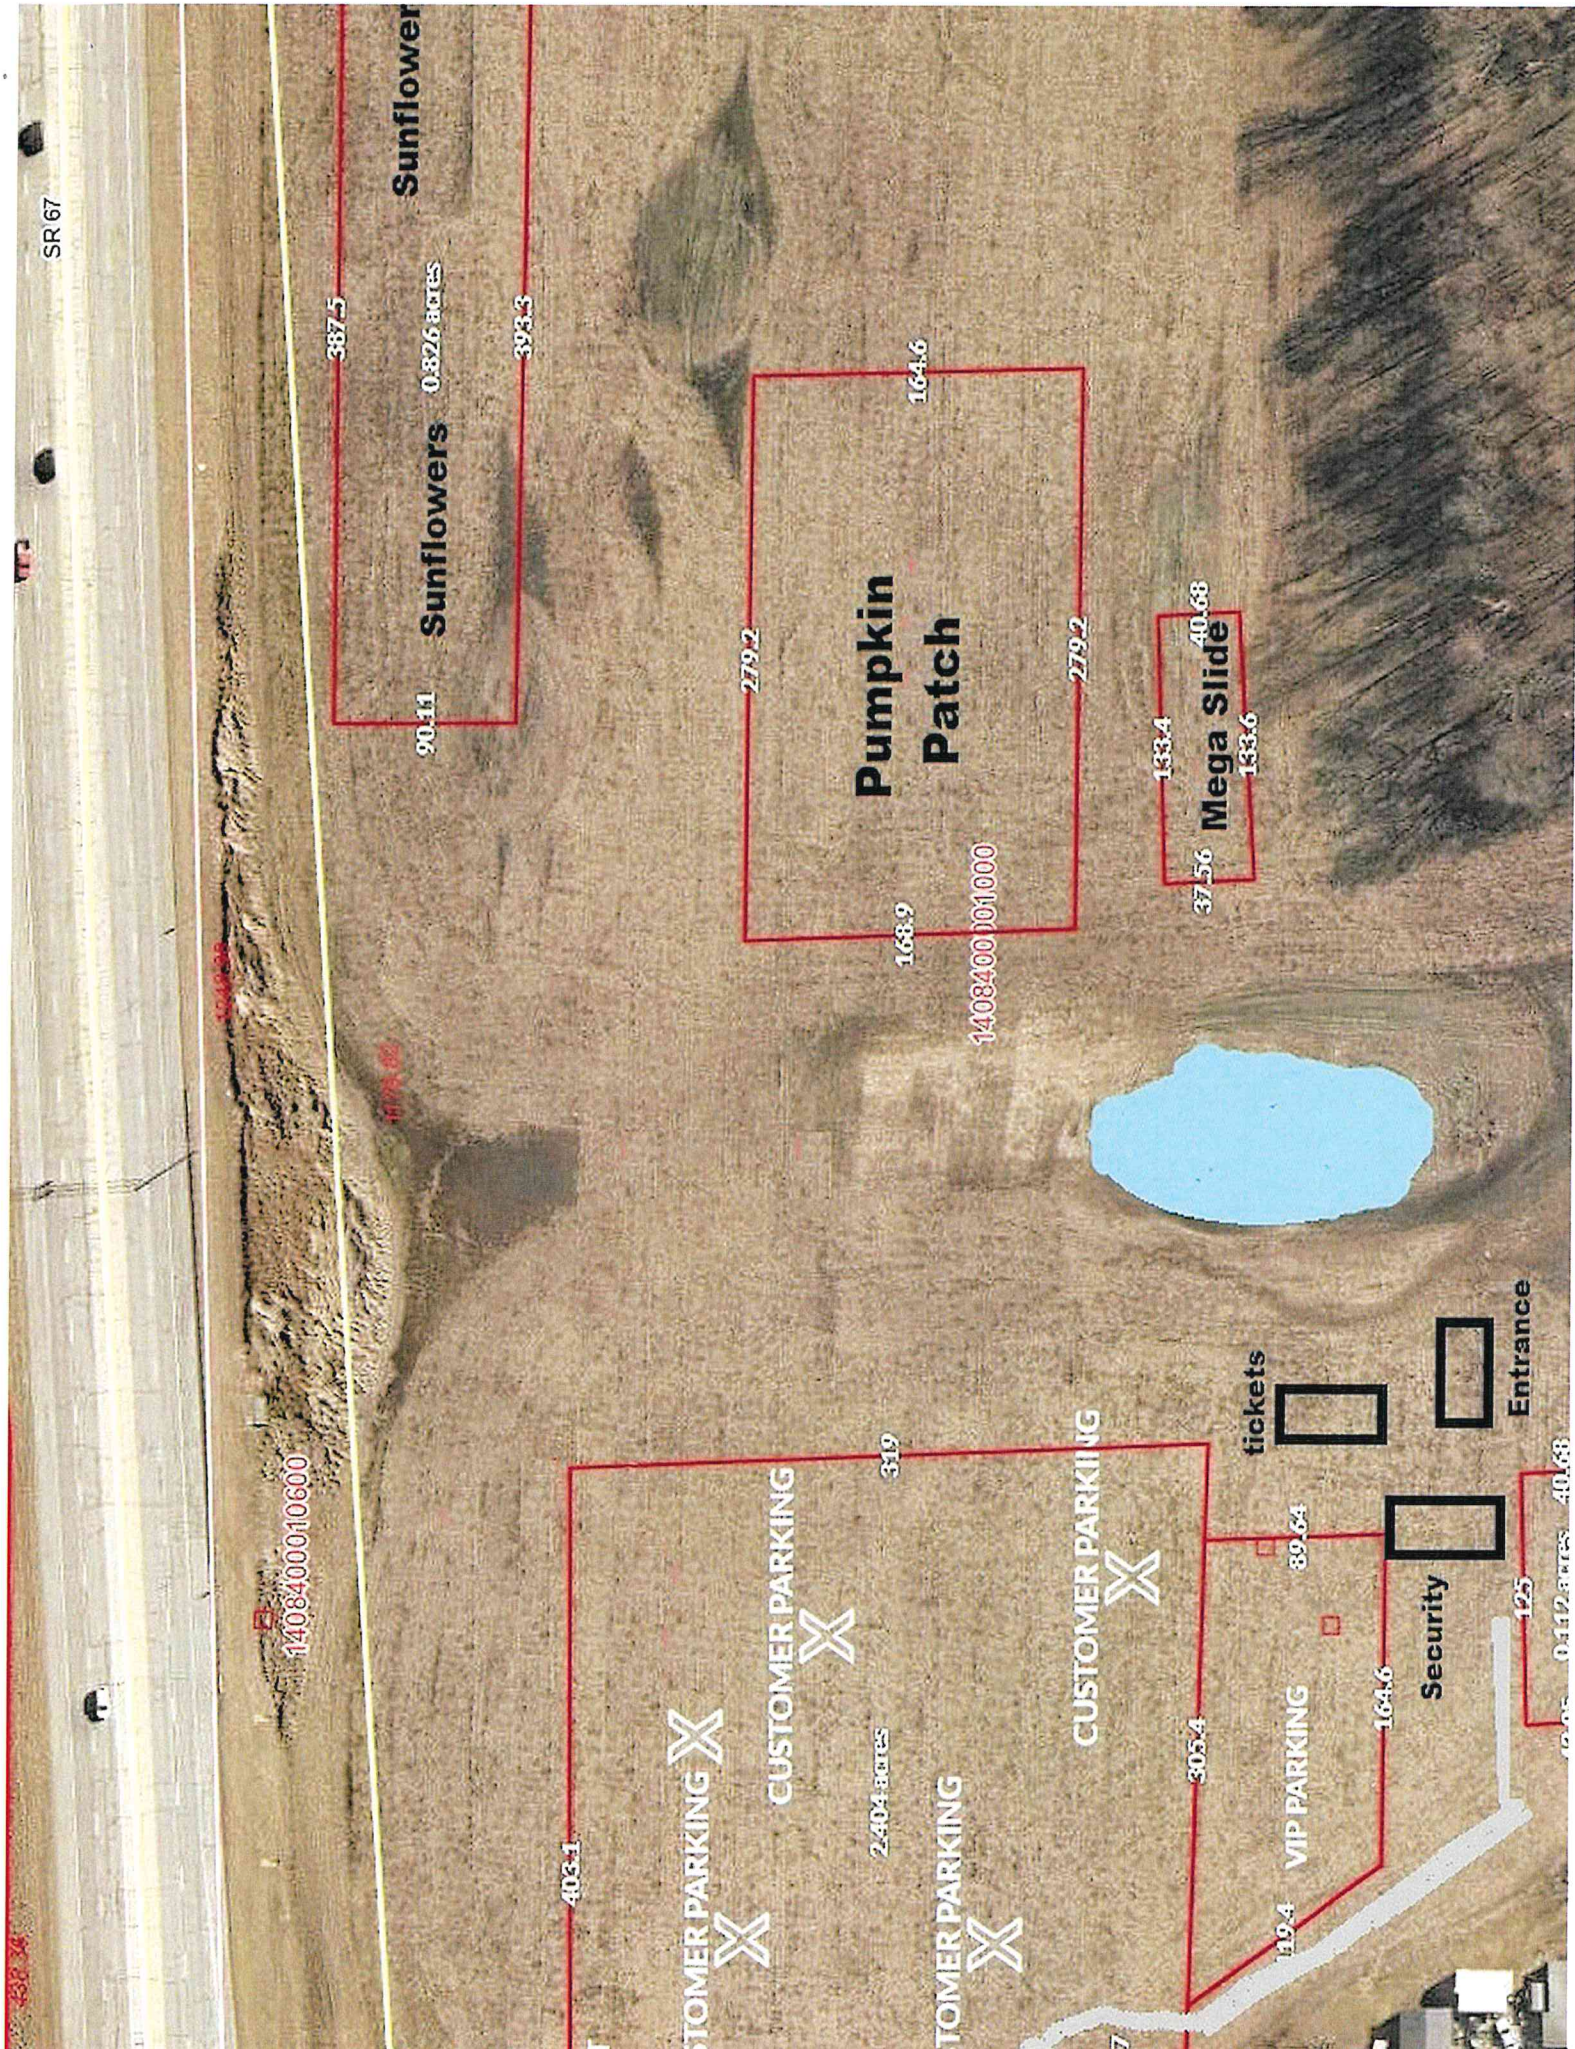

- Noise – While there is no Noise Ordinance in Delaware Co, we agree that the proposed decibel level of 85db would not be a problem to adhere to outside of the haunt. We have been using chainsaws for several weeks without comments and is less noise than a combine.
- Traffic and Parking – The parking lot and entrance to the attraction has been moved entirely to the north side of the property. Entrance from CR 750 W is over 350 Ft from SR 67. The exit will be on 750 W approx..175 ft to SR 67. If this will eliminate any backlogs on CR 750 W and force any backup to be in the parking lot.
- The parking lot will be gravel on the main paths and any low areas. An emergency access road has been added for any emergency vehicles if needed.
- Dates of Operations - Our main season is from the last two weekend in Sept. (Fri and Sat Only – 4 nights), Thurs – Sun in the month of Oct (usually 17-18 Nights), and the first weekend in Nov (Fri & Sat only). We do like to operate special events nights (Fri/Sat only), weather permitting. Those events are Krampus (1 weekend in Dec), Valentine's Day Weekend, St. Patrick's Day, a Halfway to Halloween in May, and if there is a Friday the 13th. This usually amounts to no more than 32 – 34 nights a year. This is with weather permitting.
- Hours of Operations – The doors open at 7:30 each night. Haunt closes at 10PM on Thursdays and Sundays. No ticket sales 30 min prior to closing. Fridays and Saturdays in Sept and Nov the haunt closes at 11 PM. In Oct. the haunt closes at midnight on Fridays and Saturdays.
- The "Hardly Haunted" (Family friendly activities) hours are 1PM to 5PM in October for the Saturday and Sunday. The submitted design is same except for the parking and the location of the Pumpkin Patch. Treat or Treat is during the Sunday before Halloween.
- Lighting – All Lights are LED plastic bulbs. Only the security lights and Parking areas have stronger LED fixtures which are pointed towards the ground.
- We do not allow weapons and backpacks into the haunt area and all guests must pass through metal detectors. Police Officers are present at the security check points and have their own vehicles in the attraction.
- Food Vendors must meet the County Health Dept requirements. They will consist of stand alone booths and Food Trucks.
- Midway games – are stand-alone booths with "corny" themes, ie.Casket ball, toilet paper toss,..
- Any permanent structure to be build will have the necessary permits for the County and inspected.
- All regulation required by the State of Indiana Homeland Security for our annual permit will be adhered too and all rules under Indiana code Section 317.
- Public Restrooms – Port-a-pots will be installed in the midway area. They will be cleaned throughout the evenings and will be emptied and cleaned by the rental company weekly.
